Heather - Glad you got in contact with the Holidome. I plan on attending the 20 Oct meeting.

The Forum Hall is probably a good choice if Paslay is too small. We need to get a location definitely established within the next six weeks.

We probably should discuss this with both Dean Rathbone and Dean King before we act on a location.

When is the Nat. Conv. Committee meeting next?

Dr. Fowler,

Ok, I have info.

I confirmed the contract with the Holidome over the phone. I spoke with a Lisa Grimsby (sp). Her number is 587-5562 at the holidome. She said that the contract is for the 14-18 Oct. (which is what we thought). We have 40 rooms reserved on Wednesday and the entire hotel on Thursday thru Saturday with check out on Sunday. The hotel has 197 rooms with a possibility of putting 5 people max in the rooms (2 double beds and a cot). The first meeting time available is 20 Oct. at 2:00pm (Monday). I reserved that but on the condition that I speak with you. SLet me know if you have class or whatever if I need to change the time. I think that the telephone conversation went well. She sounded very nice and willing to work with us.

Next, I called the Union about Forum Hall. We have it tentatively reserved on 17 Oct 1998 (1:00 to 3:30 PM). The union will be going through renovation(sp) during that time and no one knows what the schedule is for the building. Karla Lilley is the person I spoke with and her number is 2-6591. Forum Hall can hold up to 600 people and they can provide us with audio equipment, as soon as we know what we want. She will sending a confirmation notice to you, but I don't know how or if we have to pick up the letter at SGA.

There was talk of having the group picture at Memorial Stadium. I can contact Loleta Sump at Facilities about that if you want. I don't want to reserve something that hasn't been discussed.

Ok, till later,  
-H
